

How to Enroll For Summer Camp

1. Log on to our customer portal at lionspridegymnastics.com
2. Select “Menu” dropdown, then “2021/2022 Registration”
3. Select “Camps”
4. Under “Who do you want to enroll?”, select the name of the child/ren that you wish to enroll for camps, then select “See Camps”
5. Camps are divided up by week and whether they are a full or half day camp. Select the desired camp.
6. You will see the details of that camp week, including the days of the week that it runs and a description, as well as our cancellation policy. Select “Enroll Now”
7. Select 3 or more days that you wish to attend **BY CLICKING THE BOX NEXT TO THE FULL DATE**. Do not click the round bubbles, as they are actually a filter and do not show you whether or not a particular date is actually available. Then select “Add to Cart”.
8. While in the shopping cart, you can select “Add Enrollments” and repeat steps 3-7 to continue adding camp weeks. When you have added all of the weeks that you wish to enroll for, scroll to the bottom of the shopping cart and select “Pay Now” to make payment and complete enrollment.
