

How to View Your Child's Progress

If your child is enrolled in the Cangym program, you can easily track their progress by following the below steps:

1. Log in to our customer portal at lionspridegymnastics.com.
2. Select the menu button (red circle with 3 horizontal lines), then "My Account".
3. Under your child's name, select "Evaluations". You will be able to see their current badge level and select it to see a drop down of the skills they are working on, their completion level in each skill (out of 3 stars), when they were last evaluated for that skill, and by whom.
